<p>[Prerequisites required <u>prior to</u> – not concurrently.] ♦ Freshman Requirement (C) = Minimum Grade Required ☒ Co-requisite with respective sight-singing/ear training course</p> <p>✓ This course or its equivalent is offered as part of LU's Study Abroad curriculum. Those planning to study abroad should save these courses. See www.oip.lipscomb.edu/ for more information.</p> <p>* This course or a course that meets this requirement is offered in summer terms. See back of page for notes (1), (2), (3), (4), (5), (6), (7), (8), and (9) and Non-Credit Graduation Requirements.</p>								

Non-Credit Graduation Requirements	
ITP 0010 ♦ Information Technology Proficiency Exam Strongly recommend students complete ITP 0010 during ADVANCE or QUESTWEEK. For more information visit http://cis.lipscomb.edu and click on IT Literacy.	Service Learning (SL) Students are required to complete 2 SALT experiences ____ SALT Experience #1 ____ SALT Experience #2
Study Abroad Students may choose to enroll in study abroad courses to complete requirements identified by the ✓ symbol. For more information see www.oip.lipscomb.edu .	SALT Scholars Students may choose to become a SALT Scholar with special designation at graduation. For more information see www.salt.lipscomb.edu .
Notes to Degree Plan	
(1) BIBLE CREDIT: Traditional students must complete BI 1073, 1083, 1093, and one of BI 3213, 3433 or 4213. Students should take the courses in consecutive order unless they are registered for an approved non-Bible course that meets the Bible requirement. A student who is enrolled in an approved non-Bible course will defer the required BI course sequence until the following semester.	
(2) BIOLOGICAL SCIENCE: Choose one from BY 1003, EV 1013, or SCI 1003.	
(3) PHYSICAL SCIENCE: Choose one from CM 1013, PH 1003, PH 1013, SU 2013, SCI 1013.	
(4) MATH OR SCIENCE: Students must complete 15 semester hours of a math and/or science. Courses may be chosen from the following areas: Biology, Chemistry, Computer Science, Information Technology, Mathematics, Physics, and Engineering.	
(5) THEORY PLACEMENT EXAM: Given prior to enrollment in MU 1133.	
(6) PIANO PROFICIENCY REQUIRED: Students must attempt MU 4020 by end of sophomore year. It is strongly recommended that students enroll in MU 1652 at the beginning of the freshman year and continue to study until the proficiency is passed. If the proficiency is not passed by the end of the sophomore year, students must enroll in piano until the barrier is passed.	
(7) AUDITION TO ENTER DEPT: Students must audition on major performance medium no later than end of first semester of study.	
(8) ENSEMBLE CREDIT: Upon the advice of the student's advisor, some ensembles may be taken for no credit.	
(9) ELECTIVES: Enrollment in MU 1652, MU 1611 and ensembles may serve as electives.	

Failure to do the following may result in a delay of graduation.

1. Plan schedules carefully, so as to fulfill all pre-requisites for the next semester's courses.
Waivers for pre-requisite courses will be granted only under extreme circumstances.
2. Check with your academic advisor before changing the sequence of courses since some are not offered every semester.
3. Check your account early to allow time to eliminate any hold that might prevent pre-registration.
4. Pre-register early to secure classes needed for graduation requirements.

This is a suggested guide to course scheduling and does not replace the University Catalog as the official listing of program requirements.
